11/15/2022

Every where we go we see examples of men being feminized all over this culture and in evangelical denominational religion.

Ask yourself men... are you and your modern pastors feminized?

Here is a quick test for you:

*Do you know of and can you teach biblically all truth for ladies (head covering, biblical dress, submission etc) or have you changed with the culture and ignore God's truth in these areas?

*Do you abhor the harlotry and usurping of authority going on in man made religion and the culture via woman's sinful ways or have you accepted it as the norm?

*Do you teach and uphold the godly role for ladies (keepers at home) or have you given in to modern ways of public schools, day care and career ladies who hand children off to others (the world) to be raised during the day?

*Do your wives and daughters show off their bodies via make up, jewelry, uncovered hair, adorned and tight clothes against God's Holy teaching for them?

*Men are you leading your homes and loving your wives as they submit to you or are you feminized?

*Modern pastors do you teach ALL of God's Word or have you ignored these areas for gain and favor of men and woman to keep the pews full?

You need to repent if feminism has corrupted you!
